Education

Qualification	Institute	Score
B.Tech in Computer Science and Engineering (2024–2028)	National Institute of Technology Calicut	CGPA: 7.16/10
Class XII (2022–2024)	Narayana High School (CBSE)	90.40%
Class X (2021–2022)	Sasi High School (BSEAP)	97.00%

Technical Skills

Programming Languages: C, C++, Python, JavaScript

Web Technologies: HTML, CSS, JavaScript, Responsive Web Design

Machine Learning: Scikit-learn, Pandas, NumPy, Data Preprocessing, EDA, Evaluation Metrics

Tools & Platforms: Git, GitHub, VS Code, Google Colab

Core Subjects: Data Structures and Algorithms, Object-Oriented Programming, Database Management Systems, Operating systems

Projects

Credit Risk Prediction ML Pipeline GitHub

Python, Pandas, NumPy, Scikit-learn, Machine Learning

- Developed a machine learning pipeline to predict loan default risk using data preprocessing, feature engineering, and classification techniques.
- Implemented and compared classification models including Logistic Regression and Random Forest to analyze credit risk.
- Performed data preprocessing, exploratory data analysis, and evaluated model performance using metrics such as ROC-AUC, precision, and recall.

Personal Portfolio Website Live Link

HTML, CSS, JavaScript

- Designed and developed a responsive portfolio website from scratch using HTML, CSS, and JavaScript.
- Optimized the website layout for multiple screen sizes using responsive web design principles.
- Enhanced user experience through interactive UI elements, structured navigation, and performance-focused design.

Open Source Contributions

Contributor – GirlScript Summer of Code (GSSoC) 2026 Social Summer of Code (SSoC) 2026

- Contributed to open-source repositories through documentation improvements, CI workflow enhancements, and feature development, with multiple pull requests reviewed and merged by maintainers.
- Improved project documentation and implemented GitHub Actions CI workflow improvements with automated coverage reporting to strengthen code quality monitoring.
- Developed audit logging and dashboard features for an AI compliance platform.

Responsibilities

Junior Executive – Tathva Social Media Team 2025

- Managed social media content and strategy for Tathva, NIT Calicut's annual technical festival

Junior Executive – Ragam Lecture Committee 2026

- Managed scheduling and logistical coordination for **lecture sessions** at Ragam, NIT Calicut's annual cultural festival, facilitating smooth event operations.

Junior Executive – IEEE NSRC 2025

- Managed event planning, scheduling, and operational coordination within the Program Committee.

Certifications

- Google AI Essentials – Google Certificate
